Jack K. Dunifon, President Fort Wayne City Council
Fort Wayne, Indiana

The Board of Commissioners of the Housing Authority of the City of Fort Wayne passed a resolution at their regular monthly meeting, authorizing the submitting of a request for a Program Reservation for 400 homes. It is our opinion that we should have an additional 200 units for Elderly and an additional 200 units for General Occupancy.

If contracts are approved for Projects Ind. 3-5 and 3-6, the Housing Authority will have the following inventory of units for housing:

Ind. 3-1	250 units	
Ind 3-3,4	123 units	a total of 378 active
Ind 3-5	97 units	units.
Ind 3-6	102 units	
Ind 3-7	108 units	a total of 307 in de--
		velopment.

HUD office in Chicago are not interested and will not accept any surveys to decide what action can be taken. For that reason I have talked to the Chicago office and they recommend that we follow this procedure for a Program Reservation.

In checking I find that on the basis of population this request is reasonable and to give you the number of units the various cities in the State of Indiana have, believe that our request would be in order.

	Population	Units	Under Development
Gary	180,000	1048	1436
Hammond	110,000	400	200
East Chicago	64,000	270	150
South Bend	135,000	418	185
Terre Haute	70,000	300	200
Evansville	145,000	792	200
Indianapolis	497,000	748	2948

Also Mr. Beck, Director at Indianapolis, stated they have a \$50 million project going in 1968 and they are going to ask for 3000 more units for a Program Reservation for 1969.

The Housing Authority of Fort Wayne, if approved, will process an application for the 400 units. If this is approved, it will be necessary to secure sites which will be presented to the Board of Commissioners and then to City Council for approval before submitting this to Chicago HUD.

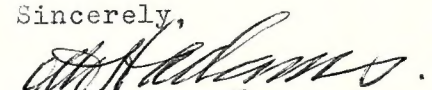

It is the belief of the Housing Authority that this Program Reservation application should be processed at the earliest possible time so that Fort Wayne will be in line for additional housing when it is needed.

I recommend that the City Council give this favorable consideration at this time.
